FROZEN SECTION!**

**The Gluten-Free Mall®** has the best prices and selection of gluten-free, wheat-free, casein-free and other allergy-related health foods and special dietary products on the Internet! All of our products are specifically designed for people who need to be on a gluten-free diet due to celiac disease, autism, Attention Deficit Hyperactivity Disorder (ADD, ADHD) or other health reasons. **The Gluten-Free Mall®** offers you low product and shipping costs, and the convenience of being able to choose from hundreds of gluten-free products and have them shipped to your door in a single, convenient delivery. Unlike other companies, 98% of our orders are shipped within one business day.

Our new centrally located warehouse offers hundreds of hand-selected gluten-free foods from dozens of wonderful special dietary food manufacturers so that you can, in only minutes, browse through our products and place a single, secure order. To make it into our new state of the art warehouse, each company must demonstrate its total commitment to high quality and excellent tasting gluten-free products.

*We are truly a "one-stop shop"  
for your special dietary needs!*

*The Gluten-Free Mall® was  
created by Scott Adams, who  
is better known in the celiac/  
gluten-free community for  
founding [www.Celiac.com](http://www.Celiac.com).*
